Computer skills

Honors

- Offered changing major from Mathematics to Computer Science as an outstanding talent student

Personal Skills

Languages

Education

- COMPUTER SCIENCE, B.Sc. (2016-2021)

Amirkabir University of Technology (GPA : 16.27 / 20)

Relevant Courses: Artificial Intelligence, Neural Network, Data Mining, Database, Principles of Software Design, Compiler, Design & Analysis of Algorithms, Data Structures & Algorithms, Computer Simulation, Computer Networks, Graph Theory, Theory of Computation, Advanced Programming, Introduction to Computer & Programming

Thesis title: Identify misinformation about Covid-19 on social media

- MATHEMATIC AND PHYSICS, Diploma. (2013-2016)

Aburaihan high school (GPA : 17 / 20)

Publications

- Dadgar, S., & Prof. Ghatee, M. (2021). **Checkovid: A COVID-19 Misinformation Detection System on Twitter Using Network and Content Mining Perspective.** ([arXiv:2107.09768](https://arxiv.org/abs/2107.09768)).
- Dadgar, B. & Dadgar, S. (2022). **The role of COVID-19 pandemic in the growth of green fintech: Driver or barrier?** Book chapter Fintech and Sustainability: How Financial Technologies Can Help Address Today's Environmental and Societal Challenges, to be published by Palgrave Macmillan on 2023 (Proposal Accepted – Full chapter is under review).
- Dadgar, S., & Dr. Neshat, M. (2022). **Analyzing and Detecting Post-Hashtag Incongruity on Instagram Using Deep Learning.** ([Work in Progress](#)).

Work Experiences & Teaching Experiences

- Research Assistant** (October 2022)
(@University of South Australia - UniSA)
- Teacher Assistant of “Artificial Intelligence” Course** (Spring - 2021)
(Dr. Mehdi Ghatee)
- Software Development Internship** (Summer - 2019)
@Rahnema College
Three months learning and developing an application using some technologies, such as Spring framework and React Native, etc.
- Head of Informatic and Contests of Students’ Scientific Association** (2018-2019)
@Department of Mathematics and Computer Science
Amirkabir University of Technology

Projects

- Cando - Mobile Application for Auction** (Summer - 2019)
(Project of the Rahnema College internship) - [GitHub](#)
- Call of Typing – Website for Typing Competition** (Spring -2020)
(Project of Principle of Software Design Course) - [GitHub](#)
- MFCC Speech Recognition** (Spring -2020)
(Project of Neural Network Course) - [GitHub](#)
- Data Analyzing of Digikala’s Dataset** (Spring -2019)
(Project of Database Course) - [GitHub](#)
- Desktop Education Portal** (Fall -2017)
(Project of Advanced Programming Course) - [GitHub](#)

Certifications

- Machine Learning - Stanford University Online Course @Coursera (2019)
- Machine Learning A-Z™: Hands-On Python in Data Science @Udemy (2020)
- Deep Learning A-Z™: Hands-On Artificial Neural Networks @Udemy (2020)
- Java J2EE Developer @LAITEC – Sharif University of Technology (2018)
- JavaSE Developer @LAITEC – Sharif University of Technology (2017)
